**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of **LAXYO ENERGY LIMITED** ("the company") which comprise the Balance Sheet as at March 31, 2024, and the statement of Profit and Loss, and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and the profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information of board of director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management for Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - (b) In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books and there are no branches to the company to the best of our knowledge;
  - (c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
  - (e) On the basis of written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of section 164(2) of the Act.
  - (f) Reporting on the adequacy with respect to the internal financial controls over financial reporting of the company and the operating effectiveness of such controls are not applicable to the company.
  - (g) Managerial remuneration has been paid or provided in accordance with the requisite approvals Mandated by the provisions of section 197 read with Schedule V to the Companies Act.
  - (h) According to our information and audit procedure adopted on test check basis during examination of accounting software used by the Company, we report that:
    - The accounting software used by the company for maintaining its books of accounts have a feature of recording audit trail (edit Log) facility.
    - The company has enabled audit trail (edit log) in its accounting software w.e.f. 3<sup>rd</sup> February 2024. Hence we are unable to comment for all relevant transactions recorded in the software or whether there were any instances of tampering of any data entry during the period from 01.04.2023 to 03.02.2024.
    - Further, during the course of our audit, no tampering has been observed in audit trail since the edit log facility of the software has been enabled.

- The company has preserved such audit trail for the period required under statutory provisions of the Act read with relevant Rules 11.

**Annexure to the Independent Auditor's Report**  
of even date to the members of,  
**M/s Laxyo Energy Limited,**  
on the financial statements for the year ended **31st March 2024**

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking in to consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
The Company has maintained proper records showing full particulars of Intangible Assets.
- (b) The major Property, Plant and Equipment of the company have been physically verified by the management at reasonable intervals during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us, the title deeds of the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under during the year.

- (ii) (a) As per management explanation, the major part of inventory is in the nature of Consumables, material, spare parts and Work in progress at different geographical locations so it is not possible to physically verify the same on fixed regular interval. The closing WIP of contractual business is based on the work progress position of ongoing contracts, on the basis of stage of completion certified by the respective site engineers and management experts.  
According to site engineers, sites have materials, stores, spares and consumable items not issued in job work. Thus the same has been kept in Inventory.  
As informed to us, any discrepancies of 10% or more in the aggregate for each class of inventory were not noticed on such verification.

- (b) The company has sanctioned working capital limits in excess of five crore rupees from HDFC Bank on the basis of security of current assets /Debtors/Work in progress etc. Quarterly returns or statements filed by the company with bank are not in agreement with the books of account of the Company. Variation is observed is due to difference in head of accounts in accounting software and presentation of financial statements as per schedule III of Companies Act 2013. The debtors provided in books are higher than statements provided to banks. We are unable to verify the ageing of Receivables in preceding quarters. As information provided to us that working capital limits from other banks are in the nature of DLOD and OD against property and there is no such requirement to file quarterly statements.

- (iii) During the year the company has made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:

- (a) during the year the company has provided loans or advances in the nature of loans, or stood guarantee, or provided security to any other entity (Rs. In lakhs)

To whom	the aggregate amount during the year	balance outstanding at the balance sheet date
Loans/advances to staff	18.67	17.71

- (b) Schedule of repayment of the principal amount and the payment of the interest have not been stipulated and hence we are unable to comment as to whether receipt of the principal amount and the interest is regular;
- (c) According to the information and explanation given to us, no amount is overdue in these respect;
- (d) The company has not granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except as mentioned in sub point (a).

- (iv) According to the information and explanation given to us, the company has not given loans, investments, guarantees or security where provisions of section 185 and 186 of the Companies Act, 2013 are to be complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits under the directives of the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, where applicable. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and belief, the Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products/ services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. \*\*Part of current year also includes Share of profit from AOP is prior period income credited during the year.

#### Reasons for more than 25% variance in above ratios:

Remark 1: Trade receivable turnover ratio implies the effectiveness of a company in collecting its receivables.

The company has improved number of times a company collects its average accounts receivable balance.

Remark 2: The ratio measures the speed at which a company pays its suppliers. The same has improved.

Remark 3: Working capital turnover ratio depends on sale and average working capital. Sale has increased drastically and working capital is stable.

High variation is due to the fact that during the year 2022, working capital was high thus impacting average working capital in previous year.

**NOTES TO ACCOUNTS AND FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2024.**

**Note No. 29**

**1. Statement on Significant Accounting Policies**

**1.1 Basis of Preparation of Financial Statements :**

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India under the historical cost convention on accrual basis. The Financial Statements have been prepared to comply in all material aspects with the Accounting Standard notified under Section 211(3C) of the Companies Act, 1956, Companies (Accounting Standards) Rules, 2006, as amended and other relevant provisions of the Companies Act, 2013”

The company has maintained books of accounts in electronic mode with an audit trail feature active since 3<sup>rd</sup> February 2024 as mandated by Rule 11(g) of Companies (Audit and Auditors) Rules, 2014. The audit trail captures all changes made to accounting records with adequate preservation and security measures in place as per legal requirements.

**1.2 Use of Estimates:**

- a. The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis except in case of significant uncertainties. However, the company recognizes Bank Guarantee commission and LC Commission on payment basis and not on mercantile basis.
- b. Estimates and assumptions used in the preparation of the financial statements and disclosures are based upon management’s evaluation of the relevant facts and circumstances as on the date of the financial statements, which may differ from the actual results at a subsequent date.

**1.3 Property, Plant & Equipments and depreciation:**

- a. Property, Plant & Equipments are stated at their original cost of acquisitions including incidental expenses related to acquisition and installation of the concerned assets. These have been physically verified and certified. Schedule for Fixed Assets have been enclosed along with.
- b. Intangible assets:- Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Such costs include any cost that is directly attributable for its intended use.
- c. Depreciation / Amortization on Assets (other than Freehold Land) :  
Depreciation on the Property, Plant & Equipments is provided under straight-line method as per the rates prescribed in Schedule II to the Companies Act, 2013 so as to charge off the cost of assets to the Statement of Profit and Loss over their estimated useful life, except on the following categories of asset:
  - (i) Intangible assets are amortized over their useful life which is estimated to be 10 years.
- d. Impairment:  
At each Balance Sheet date, the Company assesses whether there is any indication that the fixed assets with finite lives may be impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment, if any. As of March 31, 2024 none of the fixed assets were considered for impairment.

**1.4 Inventories:**

Items of inventories are measured at lower of cost or NRV. The cost of inventory comprises of purchase cost , conversion cost and other costs which is required to bring inventory in saleable condition.

- i. The company engaged in contractual services relating to infrastructure development, maintenance contract, construction contract, mining and other allied activities related to various geographical locations. Physical verification of inventory on such sites at fixed intervals is not possible due to different geographical locations. The closing WIP of contractual business is based on the work progress position of ongoing contracts, on the basis of stage of completion certified by the respective site engineers and management experts.
- ii. According to site engineers, sites have materials, stores, spares and consumable items not issued in job work. Thus the same has been kept in Inventory.

**1.5 Employee Benefits:**

\*\*Part of current year also includes Share of profit from AOP in prior period income credited during the year.

#### Reasons for more than 25% variance in above ratios:

Remark 1: Trade receivable turnover ratio implies the effectiveness of a company in collecting its receivables.

The company has improved number of times a company collects its average accounts receivable balance.

Remark 2: The ratio measures the speed at which a company pays its suppliers. The same has improved.

Remark 3: Working capital turnover ratio depends on sale and average working capital. Sale has increased drastically and working capital is stable.

High variation is due to the fact that during the year 2022, working capital was high thus impacting average working capital in previous year.
